

## Ship from the UK with special discounts on UPS exports!

Get a **10%** discount on your worldwide **standard** (UPS Expedited) shipping rates and a **15%** discount on all your worldwide **express** (Express Saver, Express and Express Plus) shipping rates from UK Mainland!

You can benefit from this promotion when booking your shipment on [www.ups.com/gb](http://www.ups.com/gb)

Simply access the [shipping](#) tab to create your label and apply the promo code **UPSEXPORT** before you pay for your shipment (at checkout in step 5 of your label creation process on ups.com)

These discounts are applicable only on UPS.com for residents and companies based in the United Kingdom. Existing customers using credit account numbers will not be able to apply this discount to shipments made using the account number. The discount applies only to prepaid shipments, paid using credit card/PayPal. This discount cannot be combined with other promotions or discounts.

Please note that discount is not applicable on additional charges which might apply to your shipment. Additional charges like fuel and residential home delivery may apply subject to services selected, package characteristics and shipping destination. Please refer to the [Additional charges](#) page on [UPS.com](http://UPS.com) for the latest updates.

You can check the total cost of your shipment (without discount) by clicking on the **QUOTE** button on the home page of [UPS.com](http://UPS.com) or by consulting the [Cost and Time calculator](#).

This promotion is valid until UPS, in its sole discretion, may decide to end this offer.

UPS Terms and Conditions of Carriage apply (available [here](#) for United Kingdom)
